The Department of Defense, Under Secretary of Defense (Personnel and Readiness), Federal Voting Assistance Program, revised the SF 76, Federal Post Card Application and SF 76A, Federal Post Card Application (Electronic) to comply with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995.

**AFFECTED PUBLIC:** Individuals or Households.

**RESPONSES PER RESPONDENT:** 1

**AVERAGE BURDEN PER RESPONSE:** 15 minutes.

**FREQUENCY:** On occasion.

Respondents are UOCAVA citizens who desire to apply for voter registration and/or request an absentee ballot from their State of residency. The information provided by these citizens is used by the States to determine if the citizen is a resident of a jurisdiction within that State, and therefore eligible to vote within that jurisdiction and to provide absentee ballots to these citizens for Federal elections held within each calendar year. This form is mandated by 42 U.S.C 1973ff. The Department of Defense does not receive, collect nor maintain any data provided on the form by these citizens; this data is collected and maintained by the individual States. The burden in the collection of this data resides in the individual States. If the form is not provided, UOCAVA citizens may not be able to register to vote in their State of residency nor be able to request absentee

ballots and thus, may be disenfranchised from their right as a U.S. citizen to participate in the electoral process. The previous Federal Post Card Application is the edition dated 08-2013. The form had been updated for usability and consistency. The most significant changes to the form were the addition of the Agency Disclosure Statement, Block 1 classification options, and affirmation. Comments are invited on the usability of the SF 76, Federal Post Card Application. Interested parties should locate the PDF form in the docket where it is available for download and testing.

Dated: November 12, 2014.
